# INTERNATIONAL PHILANTHROPIC SOCIETY, IPS

IPS is a non-political, non-profit organization.

Its aim is to support institutions and projects that help the most vulnerable children, locally and internationally.

The IPS was founded in May 2013, and inaugurated by the French Ambassador, H.E. J P LaCroix in October.

o

World Childhood Foundation

works to prevent abuse and exploitation of children.

Childhood supports over 100 projects in 17 countries around the world, assisting children who are at risk of, or are, victims of abuse, children who are in alternative care, street children, and families at risk.

The goal of Childhood is that no child should be exposed to a violent or harmful environment, but instead have the opportunity to grow up with memories of a safe and loving childhood.
